

EX LIGHTING
INDOOR LIGHTING
WATERPROOF LIGHTING

M/s Potentia has 25 years of rich experience for execution of projects in Power & Energy sectors of Pakistan. We have reliable, high-quality, & cost-effective product range complying the requirements of client application. Any lighting product can be supplied from USA, Europe, and China origin.

LIGHTING

Maximum Operational Efficiency
Innovating for tomorrow

KEY FEATURES

RELIABILITY:

Our products are 100% reliable when it comes to quality and durability of lights. We provide application-specific products to our clients for their hazardous areas & non-hazardous areas.

We also design customized lighting solutions for application-specific requirements of our clients.

EXPLOSION PROOF LIGHTS:

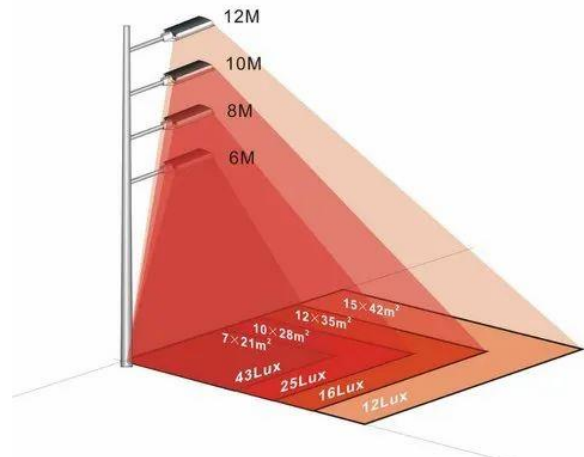

Explosion Proof lights are crucial when it comes to hazardous areas where there is a high risk of explosion. We provide complete range of Explosion Proof Lights in accordance with various International Standards.

WEATHER PROOF LIGHTS:

Weather Proof lights are installed in the areas where there is a high probability of being constantly exposed to harsh weather/rain. We provide complete range of Weather Proof Lights in accordance with all the International Standards.

ONE-STOP SOLUTION FOR LIGHTING

- EXPLOSION / NON-EXPLOSION PROOF LIGHTS
- LED FLOODLIGHT
- FLUORESCENT LIGHTS
- DOWNLIGHTS
- RECESSED LIGHTS
- PANEL LIGHTS
- EMERGENCY LIGHTS
- OFFICE & STREET LIGHTINGS FIXTURES
- AIRCRAFT WARNING LIGHTS
- AIRPORT SIGNALLING/ TOWER & POLE LIGHTS
- HIGH BAY
- PORTABLE HAND LAMPS
- LIGHTING CALCULATION (INDOOR/OUTDOOR)
